To the Gunnison Board of County Commissioners,

I would like to officially express my interest in being appointed to the Board of Directors for the Western Regional EMS Council (WRETAC). I have been informed by Terri Foechterle that these positions are open or will be in the near future. I am the EMS Operations Supervisor for Gunnison Valley Health EMS, and feel that it would be appropriate for me to serve on this board to represent the interests of GVH EMS in this forum. The WRETAC website states that "The RETAC will be composed of individuals concerned with promoting, fostering and supporting excellence in emergency medical services within and between the counties represented." As the Director of the busiest EMS service in Gunnison County that also covers the majority of the County geographically, I feel that it would be appropriate for me to have a seat on this Board of Directors.

Please let me know what other information you would like me to provide in order to be considered for this position.

Thank you very much for your time and consideration,
Erik
