RE: Reappointment of John McClow to the Colorado Water Conservation Board (CWCB)

Dear Governor Hickenlooper,

The Gunnison County Board of County Commissioners unanimously supports the reappointment of John McClow to the CWCB.

The State of Colorado is at a crucial juncture with regard to water and the future of water, and we strongly believe that longevity on the CWCB will prove vital as we work to protect our water. Mr. McClow's wealth of legal experience and his long-term knowledge of the complete and complex water issues facing the State of Colorado, the Colorado River Basin and the Gunnison River Basin are invaluable at this time. For these reasons, we ardently urge you to accept Mr. McClow's reappointment to the CWCB.

Sincerely,

Paula Swenson, Chairperson

Phil Chamberland, Commissioner

Jonathan Houck, Commissioner
