To Whom it May Concern:

I am interested in serving on the Hospital Board of Trustees. I feel that it is important to have great health care facilities and personnel and it is a primary consideration when people investigate moving to this area. I have owned a real estate office in Gunnison since 1998. I have lived in Gunnison most of the time since 1951 and I know this community rather well. I feel that I may be able to lend a perspective to the board that would be beneficial in decision making.

Thank you for your consideration.
