To: Board of Commissioners

I would like to express my interest in becoming a Member of the Hospital Board of Trustees.

I came to Crested Butte over 20 years ago and operated a private practice dental business until 2003, at which time I retired. While in Crested Butte, I have been an active member of the community holding various volunteer and Board positions with the Center for the Arts, Wildflower Festival and Chamber of Commerce. I have been a member of the Crested Butte Rotary Club where I have been President and for 3 years was the District Assistant Governor.

Prior to coming to Crested Butte, I operated a private practice dental business in Ft. Worth, Texas for more than 12 years. At that time, I was very involved with the Texas DenPAC, and held numerous professional board positions at the local, state, district, and national level.

Since retirement from dentistry, I have returned to school earning a Masters of Public Health. I have lived and worked in SE Asia for 4 years where I operated a non-governmental organization dedicated to children's dental health and women's development and was an organizational management trainer for a highly reputable human rights group.

With my experience in public health, leadership and management skills, I believe that I have the ability to help guide Gunnison Valley Health to the position it hopes to achieve in the future.

I look forward to meeting with you in person. Please call me at 970-349-5755 or gentry@rmi.net.

Sincerely,

D Gentry
