RE: 1. Reappointment to Region 10
2. Appointment to Gunnison Planning Commission

Dear Gunnison County Commissioners:

1. I would very much like to continue my efforts with Region 10. Over the years this has become a challenging opportunity to further the interests of Gunnison County and our region. Specifically, my efforts in the area of Transportation have proven to be of value.

I currently hold the positions of:

Chairman: Gunnison Valley Transportation Planning Region (GVTPR)
Chairman: State Transportation Advisory Committee (STAC)
Recently elected to another two-year term
Committee member on:
CDOT Long Range Planning Steering committee for Transportation
CDOT State Freight and Passenger Rail Plan Working Group
CDOT Efficiency and Accountability Committee
CDOT Transit and Rail Advisory Committee (TRAC)

With my position as Chairman of the STAC, I currently attend the CDOT's Transportation Commission's workshops on a monthly basis. I also provide a report to the Transportation Commission at their monthly meeting.

2. Since I am now semi-retired and have more time, I am interested in being appointed to the Gunnison County Planning Commission. I have been a member of the Planning Commission a number of years ago but could not continue because of business commitments. I look forward to serving again.

Thank you for appointing me in the past and I look forward to working with you in the future. Again, I would very much like to continue my efforts with Region 10 and the Gunnison County Planning Commission.

Sincerely,

Deacon Vincent J. Rogalski
