To Whom it May Concern, July 2, 2015

As a concerned neighbor and proponent for the success of the Taylor River Lodge (TRL), I would like to express my support for TRL obtaining a liquor license. Having worked in the hospitality industry for more than 20 years, I believe that having a liquor license at the Taylor River Lodge is crucial to the successful operation of the business and it would help control the consumption of alcohol on the premises. If you have any questions regarding my support for this license, please do not hesitate to contact me.

Sincerely,
