Subject: Gunnison Valley TA Board

Hello Josh,

John Norton asked me to write you a note regarding the open position on the Gunnison-Crested Butte Tourism Association Board of Directors. When John approached me and asked if I would be interested in serving on the board…. my initial reaction was a confident "YES!"

As a long time Gunnison County resident (26 years) I am truly enthusiastic about the valley and all it has to offer. Being lucky enough to grow up in Telluride and Vail makes me extremely familiar with resort town hospitality. With over 10 years in hospitality management and another 20 years of service level positions, I have a strong background in hospitality management and guest service operations. My current role is General Manager at the Holiday Inn Express in Gunnison. I believe that…. currently, I am in a good position to assist the board with achieving it's goals.

My hospitality management experience, knowledge of hotel revenue management, my long term commitment and passion for the Gunnison Valley would all help contribute to the success of the Tourism Association's mission!

Please feel free to reach out to me with any questions or to set up a time to meet.

-Tyler
