RE: Taylor River Lodge Liquor License

Dear Kathy:

In follow up to your site visit to Taylor River Lodge located at 10931 County Road 742, Taylor River Canyon, Gunnison, CO 81230 on Thursday, June 18th, 2015 please note the following:

- The river side of the property will be lined with signage in appropriate locations indicating that alcoholic beverages may not be taken to the river; and
- Signage will be at the bridge indicating that alcoholic beverages may not be taken on or across the bridge.

We are having the signs designed and will send photos as soon as I have them in place.
