Re: The open positions on the Board of Trustees of the Gunnison County Library District

Dear Honorable Commissioners:

It is a pleasure to write this letter to you expressing my interest in becoming one of the trustees of the Gunnison County Library District. We have a wonderful library system and should I become a trustee I promise to uphold the traditions put down by all of the previous trustees should they continue to be in order.

I believe the Gunnison County Library District plays a key role in strengthening our respective communities in being a key gathering place and an important link joining our communities together. The Library District creates many opportunities for all of our residents to learn, discover and think and I value the work of our libraries and their respective staffs therein.

I genuinely solicit your support and your vote and I look forward to hopefully appearing before you in addressing and answering any questions that you might have of me.

Respectfully submitted,

Bill
