Gunnison County Administrator
200 E. Virginia
Gunnison, CO 81230

Attn: Josh Ost

Position of Veterans Service Officer.

My name is Robert J. Wojtko. I have lived in Gunnison since 2004. I am currently 'retired' though I maintain a video business here in the Gunnison Valley doing videography and transfers from any old media to DVD. I am a member of the VFW Post 3981 in Montrose since the Gunnison Chapter dissolved and the American Legion Post 0054 here in Gunnison.

I served in the US Air Force from August 1966 to August 1970 as a Avionics Technician specializing in radio, intercom and wiring on the F-4 Phantom. Thanks to the efforts of the VA the hearing loss I experienced while working on the aircraft has been addressed.

The bulk of my career was with IBM where I was a mainframe system programmer in the Federal Systems Division working with the Department of Defense on the Satellite Surveillance Program. I am proficient in personal computers as well as the current video editing tools used in my video work.

I would like to continue my service to the country and fellow veterans. If this position of Veterans Service Officer provides that opportunity, I would like to be considered for the position. If selected, I promise to do my best for the community and our veterans. Thank you for considering my application.

Sincerely,
Robert J. Wojtko
