Hello Gunnison County Officials,

I hope 2019 brings hope, happiness and health to everyone. I will be seeking re-election to a seat on the Gunnison County Tourism Association. County officials appointed me to a two-year term back in February of 2017, which means my current term expires 2/1/2019. I very much appreciate the confidence you have put in me and the opportunity to serve the county. As a long time Gunnison County resident (30 years) I am truly enthusiastic about the valley and all it has to offer. With over 12 years in hospitality management and another 20+ years of service level positions, I have a strong background in hospitality management and guest service operations.....right here in Gunnison Valley! My current position is General Manager at the Elevation Hotel & Spa.

My long term commitment and passion for the Gunnison Valley has contributed to the success of the Tourism Association's mission. I currently serve as the treasurer on the Finance Committee for the TA. The past two years have been very productive. We, as a board, have worked on many projects. We have prudently managed the TA's budget, worked with the citizens and elected officials to move forward with our defined mission. I will continue to listen to the community and contribute when decisions come forward. I will continue to work very hard to build on our strong presence as a desirable county for tourists to visit and for businesses to grow.

Thank you to the county leadership that has attended and contributed to some of the tourism and lodging meetings. The professionalism and dedication of our elected officials has provided our community the necessary information needed to make informed decisions.

I look forward to hearing back from County Administration.

Respectfully,

Tyler Newman
