Boards and Commissions Application

Board/Commission or position applying for:	Sustainable Tourism & Outdoor Recreation
First and Last Name	Sue Wallace
Address	62 BARBRA PL
City	CRESTED BUTTE
Phone	9703493435
Email Address	info@mountainmanners.org
Why would you like to serve on this Board or Commission?	As the former Executive Director of the Wildflower Festival from 2007-2017, I was very saddened to see the impact on the backcountry from growing visitation and use over a ten-year period, and the arrival of a different kind of visitor-one with a serious addiction to entitlement and a high level of ignorance about best recreational practices. I have managed the Mountain Manners Program for three years, and I believe its many strategies for education and outreach are effective at influencing our visitors in positive, meaningful ways. I'd love to contribute to a Board whose purpose is to ensure sustainable and long-term recreation in our vast and diverse environments, some of which are very fragile. We have a responsibility to protect this valuable asset while we continue to market it to more recreational visitors, and I will bring a strong perspective of advocacy, education, and outreach.
Additional Comments	Molly Murfee and I are Program Co-Directors of Mountain Manners, and we are interested in either both applying for a

position on the STOR Board, or for applying for a seat on the Board which either one of us may at times occupy.
