Gunnison County Sustainable Tourism and Outdoor Recreation Committee: Crested Butte Land Trust Letter of Intent

To the Board of Gunnison County Commissioners;

With this letter, the Crested Butte Land Trust (Land Trust) respectfully submits its letter of interest in continuing to serve as an at-large member of the Gunnison County Sustainable Tourism and Outdoor Recreation Committee (STORC). The past year of service has been rewarding, and the Crested Butte Land Trust remains committed to the collaborative process that is the Sustainable Tourism and Outdoor Recreation Committee. The Land Trust's mission is to protect and steward open lands for recreation, vistas, wildlife and ranching, thus contributing to Gunnison County's unique heritage and quality of life, and our mission encompasses much of the committee's focus.

The Land Trust's conserved lands are a part of the tourism and outdoor recreation puzzle, and our continued involvement in STORC is a critical element of our community driven land protection and stewardship strategy.

I deeply appreciate the Board's time, effort, and leadership of this committee, and I look forward to the next year of service.

My very best,

Noel Durant
