Boards and Commissions Application

Board/Commission or position applying for:	Planning Commission
First and Last Name	Diego Plata

City	Gunnison

Why would you like to serve on this Board or Commission?	The opportunity to serve on the planning commission during the last year has been a reminder of how important it is to give back to our communities. Having a professional understanding of community needs from around the world, I've valued the chance to give my opinion and commit my time to this important steward of land uses within our community. As Planning Commissioner, I've become intricately involved with the ever-evolving development needs of our community and how these needs guide the application and interpretation of the Gunnison County Land Use Resolution. While the opportunities have been plenty to weigh in on important issues during our twice a month meeting over the past 12 months, I believe there is much work for me to be done and value for me to add to this commission and its vital role within Gunnison County. My knowledge and understanding of the planning commission process, the relationships I've built with the Community Development Department and with fellow commissioners, and

my continued commitment to give back to our community will all be great sources of value if appointed to the commission once again. Moreover, my professional understanding of community needs from around the world will provide a renewed perspective to the commission. Given these factors, I would like to once again serve on the Planning Commission as we strive to preserve and promote the well-being of the County's citizens, natural environment and rural character. Thank you for your time and consideration.
