RE: Housing Authority Board Position Vacancy

Dear Commissioner's

I would like for you to please consider appointing myself to the board position on the Gunnison Valley Regional Housing Authority for another term. I have volunteered for this board since 2002 and had served for the City until moving into the County in 2005 and serving as a member at large since. I feel I bring great knowledge about housing from the business side having owned my own real estate and property management company in Gunnison since 2004. I am also an Alumni of Western Colorado University and have a great understanding of the housing issues that students face or create in our community as well.

I also feel that the Housing Authority is going through many changes at this time while they contemplate as to how to accomplish creating a revenue stream for the organization and future projects in the Valley. I would very much like to be a part of this process and would like to continue my support for the organization as a whole. Thank you for your consideration.

Best,

Kelly McKinnis
