Subject: Re: Reminder Letter - Term Expiration

To Whom It May Concern,

I would like to express my interest in continuing to serve on the Gunnison County Planning Commission. I do need to state that while I wish to continue serving, my work will often take me to the front range over the next year so it is possible I may miss a number of meetings. If you feel that there is another candidate that is able to serve without these conflicts I completely understand. I do believe I offer a good experience and perspective to the Commission and if I am needed I am very willing to serve.

Sincerely,

John Messner
