Ms. Shelton,

I am writing this letter of interest for the Historic Preservation Commission openings for 2016. I have recently moved to Crested Butte and have a passion for preservation, especially in such a unique area of the country.

I graduated from Texas Christian University with a Bachelor of Arts in Anthropology and Geography, with a specific focus on public archaeology and cultural resource management. During my undergraduate career I wrote a proposal for a local building to be added to the National Register of Historic Places, and am familiar with the process behind such an undertaking.

My resume and transcript are enclosed and will contain more information regarding my schooling and expertise. If any further information is needed, please feel free to reach out to my email address johnhgibsoniii@gmail.com or by telephone at 325-201-7387.

Thank you for your time and consideration, and I look forward to hearing from you soon!

Sincerely,

Holden Gibson
