Ms. Breanna Shelton,

Please consider this as my letter of interest to apply for the upcoming opening on the Environmental Health Board as my current term expires in February of 2016.
As a certified water and wastewater operator in the State of Colorado I have a great interest in the management of On-site Wastewater Treatment Systems in Colorado and especially in Gunnison County, where I have been a resident since 1982. I have enjoyed serving on the Environmental Health Board and would like to continue my service.

Thank you for your consideration,

Eddy Balch
