Hi Liz,

If you could please forward the following to the Board of County Commissioners, a request to continuing serving on the TAPP Board.

Dear Gunnison County Commissioners,

I would like to request my position on the TAPP Board to be renewed for another term.

As an Architect in Gunnison County that predominately has out of town clients, I feel I have a good pulse on our Gunnison County visitors. I also bring diversity to the Board: being raised in Houston, female professional business owner, Gunnison resident, husband who grew up here, children at Gunnison Schools, etc.

Additionally, I feel very strongly about the mission and responsibility that you have entrusted to TAPP and its importance to our community and our future.

Thank you for your time and consideration.

Sincerely,

Jennifer Barvitski
