Subject: Hospital Board

Dear Ms. Haase:

I am writing to express my interest in serving on the Hospital Board. While I have zero experience in the medical field. As a mother of two young girls, and a representative of WSCU. I think the hospital is critical to the Valley's success and I would like to be of help any way I can. I have a Masters in Public Administration from SIUE, and served as a city manager for 13 years prior to coming to Western to serve as the AVP/Director of Facilities. I live in Almont (Homestead) and serve on their neighborhood association board as well.

Please let me know what other information would be helpful to the Commissioners as they make their appointments.

I can be reached easily on my cell (most days) 209-0404.

Thank you for your time and consideration.
