Subject: RE: Referral Comments - CDOT - Blue Mesa VSF

No comments as I have been working directly with their engineer on this project for any fire related issues. To date I have no issues.

Subject: Referral Comments - CDOT - Blue Mesa VSF

Hello,

Please find the attached request for comments concerning the proposed Colorado Department of Transportation – Blue Mesa Vehicle Storage Facility, located west of Blue Mesa dam, and instructions to access the application online on the Community Development Permit Database.

If you have any questions, please let me know.

Thanks,

Neal
