Gunnison County Board of Commissioners

200 East Virginia Avenue

Gunnison, Colorado 81230

Dear Commissioners,

I am still very interested in remaining on the Gunnison Valley Land Preservation Board. I have served the past 4 years as an alternate appointed by Gunnison County.

All of the members appointed by the Board of Commissioners take the job very seriously. They give a lot of thought to each proposal and attempt to find workable solutions for each project. Even though I am an alternate and usually do not vote, I feel I contribute to the discussions in positive ways and continue to try to bring other perspectives to the table.

The continued support of the local ranching community by the Land Preservation Board is vital to maintaining the resources and vitality of the area for generations to come. I am proud to be a part of that support.

My time, energy and support for this endeavor is always present. I would like to continue serving the County on this board. Please contact me at 970-596-0215 or leswhite44@ yahoo.com if you have questions.

Sincerely,

Les White
