Re: Appointment to Planning Commission

Dear Commissioners,

I would like to be considered for appointment to the Planning Commission. As you know, I have previously served on the Planning Commission from March 2000 to March 2001 and from October 2005 to March 2013. I have also served on the Upper Gunnison River Water Conservancy Board (1991-1999) and as Mayor of the Town of Pitkin (1981-1988).

I always enjoyed my service on the Planning Commission, which included rewriting the Land Use Resolution, the Special Development Projects Resolution and the Oil and Gas Regulations. It is my desire to come back to the PC table where I can best utilize my understanding of the regulatory process and skills in communication and problem solving. I look forward to discussing the position with you.

Sincerely,
