Subject: Historic Preservation Commission Term Expiration

Hi Justin,

Please see attached term expiration letter for your Gunnison County Board or Commission. Gunnison County encourages you to re-apply and thanks you for your service. Please let me know if you have any questions.

Thanks,

Josh Ost

Gunnison County Commissioners
200 E. Virginia
Gunnison, CO 81230

Dear Gunnison County Commissioners:

I am writing to express my interest in retaining a seat on the Gunnison County Historical Preservation Committee (GCHPC). I am currently the chair of the GCHPC and the East Zone Archaeologist for the Grand Mesa, Uncompahgre & Gunnison National Forests. For the past 15 years I served as the Archaeologist with the USDA Forest Service. I obtained my Anthropology and Outdoor Recreation Degrees from Western State College and received a Master's Degree in Cultural Resource Management from the University of Leicester.

Over the years I worked on many historical restoration and rehabilitation projects throughout the county, including some of which are listed on the County Register for Historical Places. I also work with the State Historical Preservation Office on a regular basis concerning sites ranging from prehistoric game drives to the rehabilitation of our US Forest Service Ranger Station, which is listed as Eligible to the National Register. During the summer I lead Extended Studies (through Western State Colorado University) trips to historical sites throughout the county.

My familiarity with the area and my passion for our local history are assets that I would like to contribute to your committee. Many people in the community have a passion for the history of this basin, and I would like to expand on the community outreach projects that the Board is already providing. My experience in working with the State Office on matters relating from historical restorations to the listing of new sites will continue to aid the board as we deal with specific projects or issues that may arise. Over the course of the last three years on the commission I have aided in multiple projects including being awarded a grant for a County Survey Plan which was completed last year. I also currently sit on the chair of the GCHPC

Thank you for consideration, I look forward to having an opportunity to meet with you soon.

Respectfully,

Justin Lawrence
