Boards and Commissions Application

Board/Commission or position applying for:	Planning Commission
First and Last Name	Mark Anderson
Address	675 County Road 744
City	Almont
Phone	9709012773
Email Address	taylorriverrd@gmail.com
Why would you like to serve on this Board or Commission?	To whom it may concern, I am writing to express interest in an opening on the Planning Commission. At this point in my life I am able to give back to the community that's provided so much to me and my wife over the years. I feel being a part of the Planning Commission would be a great first step in achieving that. I have lived in the valley since 1993 working construction and the tourism industry. I have a small business doing caretaking up Spring Creek & Taylor Canyon that I've run since 2008. My work has allowed me to hear many different opinions on the changes in the valley, some from guests and some from long time residents. One thing is clear through all the conversations I've had; we reside in one of the most beautiful places in the world. It's therefore of utmost importance that we take care of our home. We need a good balance between protecting the natural beauty of this area and allowing all of Gunnison Valley's citizens to prosper. If I'm allowed to serve I will strive to always have an open mind and I will do my best to

	protect the rights of every person who brings an issue before the board. I truly love the area we live in and would like to help make it a great place for others to live and work. If you require more information from me, I'd be happy to provide it. You can reach me by post at PO Box 212, Almont, CO 81210, by phone at 970.901.2773, or email at taylorriverrd@gmail.com. I look forward to hearing from you. Sincerely, Mark Anderson
