Why would you like to serve on this Board or Commission?	My interest in the planning commission stems from a desire to give back to the community and to be a part of the local government process. My residency in Gunnison County has in large consisted of working with and learning from community members and leaders about the broad spectrum of changes, challenges, resources and visions for the county. To support the Planning Commission navigate through these topics I bring extensive experience with stakeholder engagement through public events and forums. Furthermore, I have continuously participated in community focused programs and initiatives at various capacities including the development and implementation of strategies, guidelines and processes to build stronger and more resilient communities. I am very confident in interacting with any individual regardless of their background and can form close relationships as part of a team.
