Boards and Commissions Application

Board/Commission or position applying for:	Environmental Health Board
First and Last Name	Gayla Gibb
Address	13520 CR 76
City	Parlin
Phone	417-252-1163
Email Address	gibbletmom@gmail.com
Why would you like to serve on this Board or Commission?	I am passionate about the environmental health and clean water in Gunnison County. As the Environmental Health Agent of Pitkin, I see on nearly a daily basis how practices that might have been fine for the past several decades need a closer look moving forward. I'm familiar with the Division's Regulation #43, and have helped implement it in Pitkin for the last two years. I am NAWT Certified, giving me a broader understanding of what is and is not acceptable with onsite systems and why--although I look forward to learning more. I believe I would be a benefit to this Board, and it would be good for me as well. The problems I deal with here on a municipal level are greatly similar to the ones the County will be dealing with. I would like to be a part of this group serving the people of Gunnison County. Thanks for your consideration, Gayla Gibb
