Re: Application for Planning Commission Vacancy

Dear County Commissioners,

Thank you for allowing me to participate as member of the Planning Commission for the past four years. It has been a great learning experience into the workings of the Gunnison County government and one I have truly enjoyed.

I would like to continue in my role as a Commission member to see the conclusion of the Brush Creek affordable housing application and look forward to discussions on changes to the LUR to accommodate future tiny home applications in addition to other land use changes.

Thank you for taking the time to review my reapplication for a Planning Commission vacancy.

Sincerely,

Jack Diani
