Subject: Gunnison Sage Grouse

I am writing to show my interest in sitting on the Sage Grouse Strategic Committee again. I have been an alternate representing trails and in the absence of a seat for Gunnison County Electric I would like to apply for the alternate seat or the table seat representing development or return to the alternate seat in recreation.
In talking to Jonathan about the options he thought any of these might work. Please consider me for a seat on the board or an alternate seat so I can be a part of it again.
Thank you for your time, Polly Oberosler
