To Whom It May Concern:

I am writing today to express my interest in maintaining my position on the Gunnison County Extension Advisory Committee. I have served on this committee since 2016, and would like to remain in order to help this committee in any way they see fit.

My two years on this committee have been insightful, productive, and educational.

I grew up actively in the 4H program in Gunnison while living and working on the family ranch. Now, as a Crested Butte resident; a 4H leader with a child in the program, and a voice for ag in the Crested Butte area, I feel I bring a unique and needed balance to this board.

Thank you for your consideration,

Jan Washburn

Summary

I currently manage all the financial aspects of Virgil & Lee Spann Ranches, Inc., as well as its affiliate LLC's and Partnerships that are established as a course of doing business. As a member of the Board of Directors of Virgil & Lee Spann Ranches, Inc., it is my duty to prepare financial statements for the board, as well as participate in the monthly planning involved in our business. I am responsible for all correspondence from the Corporation, lease preparation and reading, as well as the minutes of our monthly meetings. My specific areas of expertise lie in bookkeeping, financial reporting, payroll, writing, and also as a calving expert. As is the case with all ranchers, I can also drive tractors, ride horses, move cattle, vaccinate, irrigate, maintain fencing, monitor grazing pastures and maintain herd health and safety.
