Dear Liz, Matthew Birney, Commissioners Houck, Messner and Mason,

It is with desire on my part, that I take this time to offer my expertise and ask that my position be renewed for the Gunnison County Health Board. I am currently the chair and have been for numerous years. We have a well working board and I would hope that we can continue with as many members that we have that are willing to continue on. It has been a pleasure to be part of this board since its inception and I strongly feel I still have something to offer.

Kindly consider this request.
