Dear Gunnison Board of County Commissioners,

I would like to be considered for the Gunnison County Library District Board of Trustees. I have a deep love for the library and feel it is a vital part of a collaborative community. I have spoken with current Trustees and the District Librarian about the responsibilities and expectations as a Trustee and feel I can serve accordingly. I have been a board member for Friends of the Library in Crested Butte for several years. I would be honored to help the library at this exciting time in its future. Please let me know if you have any questions.

Sincerely,

Kim Sherman
