Subject: STOR Committee term

Hi Liz,

I'm writing to express my interest in continuing to serve on the STOR Committee. It is important to have a voice for winter recreation on the committee, as cross country skiing, snowshoeing and AT skiing help diversify and create more sustainability in our winter economy. I am actively involved in the CB-CB South trail committee, and the Peanut Lake Road Committee. I hope to be a part of both of these committees, as they are in the midst of projects.

Thanks for the opportunity to continue to serve,
