Good day,

I am interested on continuing on the board of the Tourism and Prosperity Partnership. I started in the fall of 2018, taking over the spot of Ryan Johnson (I believe). While it has been just over a year since I started, I feel like I am representing Gunnison and the business community on Main Street. I have learned a great deal so far, and I am hoping that I can continue contributing to the team. I believe that we have a diversified group of citizens on our board, representing both genders, and a variety of strengths and view points. I bring with me 21 years as a business owner in the valley, as well as being on many boards in the past including the Gunnison Chamber of Commerce, the Gunnison Arts Center, Community Church, and the Gunnison Vibrancy Initiative. I have a desire to see our valley thrive, which is the main reason that I would like to remain on the board. Thank you for your consideration.

Sincerely,

Kelly Osness
