Re ICELab Enterprise Zone Contribution Project Desigation

Dear Commission Members,

The Gunnison County Board of County Commissioners supports the ICELab's Enterprise Zone Contribution Project designation through the Colorado Office of Economic Development & International Trade.

The ICELab is proposing projects for Enterprise Zone Project status to implement local economic development plans. The ICELab will work with the City of Gunnison, Gunnison County, and the Towns of Crested Butte, Mount Crested Butte and Almont to bring forward proposals that support local economic improvements, resulting in job creation/retention and business expansion, and have the support of the community. As a designated Enterprise Zone Contribution project, the ICELab will also be able to better leverage the generosity of its donors, which will help sustain the ICELab and its efforts in our community.

We encourage you to designate the ICELab as an Enterprise Zone Contribution Project.

Best Regards,

Jonathan Houck, Chairperson	John Messner, Commissioner	Roland Mason, Commissioner
