Re: Gunnison Arts Center Grant Application

Ladies and Gentlemen:

The Gunnison County Board of County Commissioners is pleased to support the Gunnison Arts Center's (GAC) grant application for the funding for removal of the ceiling texture containing asbestos and the repair of the interior stone and plaster walls.

We value the preservation of Gunnison County's cultural resources, and this historically designated structure is one of our finest, representing the period of early permanence in the Gunnison valley. The GAC board and staff have demonstrated a strong commitment to stewardship for the building, and have partnered with the Gunnison County Historic Preservation Commission for inventorying and interpreting its details.

We understand that requested funding is for specific features called out in the building's Historic Structure Assessment (HSA), features that are identified for preservation treatment, and we heartily support full funding for these needed improvements.

Best Regards,

Jonathan Houck Chairperson	John Messner Vice-Chairperson	Roland Mason Commissioner
