Colorado Wildland Fire Conference

2018 Sponsor and Exhibitor Information

Hello Wildland Fire Partner!

We would like to invite you to participate in the 2018 Colorado Wildland Fire Conference, a Colorado tradition since 1996, as a sponsor or exhibitor. The theme of this year's conference is "***People, Places and Perceptions - Wildfire and the Human Condition.***" Our goal is to provide an in-depth exploration of how human dimensions affect community adaptation to wildfire. We will examine why people adopt or reject best practices, how we understand risk, and how we collectively perceive notions about wildfire.

This year's conference is located at The Lodge at Mountaineer Square, Mt. Crested Butte, Colorado, on September 18th – 20th. We estimate there will be over 200 attendees including wildland fire managers, risk reduction and mitigation practitioners, municipal employees, emergency responders, researchers, agency representatives and more. Sponsors and exhibitors will have the opportunity to display their programs and products, reaching a wide variety of potential clients and partners. For more conference information, please visit www.wildfire-colorado.com or find us on Facebook.
