LANDSCAPING IMPROVEMENTS AGREEMENT
FOR
DISCOUNT SELF STORAGE

THIS LANDSCAPING IMPROVEMENTS AGREEMENT FOR DISCOUNT SELF STORAGE ("Agreement") is entered into this ____ day of June, 2018, by and between the BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF GUNNISON, COLORADO, whose address is 200 E. Virginia, Gunnison, Colorado 81230, ("Gunnison County"), and CENTENNIAL STORAGE PARTNERS, L.L.C., a Colorado limited liability company, whose principal address is 3440 Admire Road, Dover, Pennsylvania 17315 ("Developer").

1. PURPOSE. The Developer has submitted to Gunnison County the Developer's application for Land Use Change Permit No. 2018-00003 regarding the expansion of the existing Discount Storage facility to include the construction of two new storage buildings on the south end of the property as identified on the site plan titled: *Overall Site Plan* prepared by Williams Engineering, dated February 15, 2018 also known as *New Landscaping Plan*, prepared by Ken Snyder, dated March 27, 2018 attached hereto and incorporated herein by reference as Appendix "A" ("Project"). The Project is located on 1.8 acres west of and adjacent to Highway 135, approximately 1 mile north of the City of Gunnison, legally described as Lot 3, Flying E Ranch Subdivision, also known as street address: 1825 Highway 135, Gunnison, Colorado 81230.

As valuable and sufficient consideration for this Agreement, Gunnison County and the Developer agree that approval of such application by Gunnison County is expressly conditioned on completion of the improvements described in paragraph 7, below ("Improvements") to the specifications described herein and by the times specified herein. Gunnison County and the Developer further agree that such Improvements are appropriate and necessary requirements to be required by Gunnison County, and to be performed by the Developer and which Developer shall perform. Gunnison County and Developer further agree that an agreement guaranteeing the Developer's performance secured by suitable security to protect the interests of Gunnison County, and the public in the amount set forth herein is an appropriate condition to Gunnison County's approval of such land use change permit. The parties have entered into this Agreement to memorialize such understandings and agreements. The relationship of the parties to this Agreement is contractual; Developer is an independent contractor and is not an agent of Gunnison County.

2. DEVELOPER BOUND. The Developer agrees to accept and be bound by the terms and conditions of Gunnison County's issuance of its approval of the Land Use Change Permit 2018-00003 and the terms and conditions of this Agreement. Developer accepts Gunnison County's review and permitting authority, process and performance of same

in connection with Land Use Change No. 2018-00003 as legal and valid and waives any defect therein.

3. INSTALLATION OF IMPROVEMENTS.

A. The Developer agrees to complete the Improvements as identified in paragraph 7 herein not later than July 31, 2018, acts of God and any cause beyond the reasonable control of the Developer excepted, including without limitation labor disputes, laws, regulations, or orders of any governmental entity, orders of court, inability to obtain any required authorization, act of war or conditions arising out of or attributable to war, riot, civil strike, insurrection or rebellion, fire, explosion, earthquake, storm, flood or other adverse weather condition, delay or failure by suppliers or materialmen, contractors, or subcontractors, shortage of or inability to obtain labor, supplies or materials.

B. The completion deadline set forth in this paragraph 3 may be extended by Gunnison County in its sole discretion upon written request of Developer if Gunnison County determines that: (1) such extension of time will not operate to the detriment of Gunnison County, the public or the owners of property within the Project; and (2) Gunnison County's security is adequate to ensure full performance by Developer by the extended completion date; and (3) that such an extension would not be in conflict with the conditions of the approved Land Use Change Permit. Gunnison County may require Developer to provide, at Developer's cost, supplemental estimates of the costs of completion and to provide additional security as a prerequisite to its extension of any completion date. Any extended completion date granted by Gunnison County hereunder may be further extended in like manner.

4. ESTIMATED COST. The total cost of the Improvements to be completed by the Developer is estimated currently to be Sixteen Thousand Two Hundred Five and No/ U.S. Dollars ($16,205.00).

5. SECURITY. In order to secure all obligations of the Developer herein, the Developer and Gunnison County agree that the Developer shall, at Developer's sole cost, and before starting work on any phase of the Project, and before conveying any portion of the Project, obtain and provide to Gunnison County a bond, an irrevocable letter of credit or other performance guarantee in a form and content satisfactory to Gunnison County to the benefit of Gunnison County in the amount of be Twenty Thousand Two Hundred Fifty Six and 25/ U.S. Dollars ($20,256.25) which is 125 percent of the currently estimated cost of the Improvements. If said security is in the form of cash, it will be placed by Gunnison County in an interest bearing account; the interest shall accrue to Developer at 1% less than received by Gunnison County.

Pending full performance of all of the terms and conditions hereof by the Developer, Gunnison County shall retain said security and shall remain the beneficiary of such security. In the event of any uncured default hereunder Gunnison County in its sole discretion, and without any other authority required, may draw upon said security up to its full amount upon presentation by Gunnison County to the Developer of a written statement by Gunnison County that such uncured default exists. Upon timely performance of all terms and conditions hereof, said security shall be tendered by Gunnison County to the Developer.

6. CERTIFICATION.

A. Not later than August 15, 2018 Developer shall certify to Gunnison County that the Developer's obligations regarding Improvements under this Agreement have been fully and faithfully performed. Upon receipt of such certification, Gunnison County shall review the same and shall make an independent judgment whether to accept the same in the sole discretion of Gunnison County.

B. Not later than August 15, 2018, Developer shall provide to Gunnison County Attorney a sworn affidavit, signed by the Developer's authorized representative, that the Improvements completed have been paid for, in full, by the Developer. The Developer shall be responsible for the information so provided. Said written certification will be reviewed by Gunnison County, but Gunnison County shall have no responsibility or liability to any party regarding the veracity of the information so provided.

7. SCOPE OF WORK.

A. The scope of work to be done by the Developer shall is to acquire, plant and maintain the trees and bushes identified in attached Appendix "A", the *New Landscaping Plan*, prepared by Ken Snyder, dated March 27, 2018 along with installation of an irrigation system for the same according to the *Proposal for Landscape Plan with Plants/Trees (with planting/materials/labor) at Discount Self Storage*, prepared by TAECO, L.L.C., dated April 11, 2018, attached hereto and incorporated herein by reference as Appendix "B".

B. The conditions of this Agreement and Land Use Change Permit No. 2018-00003 are such that if the obligations hereunder of the Developer are well, truly, faithfully and timely performed by Developer and such performance is accepted by Gunnison County in Gunnison County's sole discretion, the Developer's obligations to Gunnison County under this Agreement except as setforth in 7C. below shall be at an end; otherwise such conditions and obligations shall remain in full force and effect.

C. For a period of one year from and after the acceptance by Gunnison County of all of the work described in paragraph 7A, above, Developer shall, at its own expense, make all needed replacements to such work as shall, in Gunnison County's reasonable opinion, become necessary. Gunnison County shall have the right to retain the full amount of security for up to two years following the acceptance of all of the work described in paragraph 7A above, as security to ensure such replacement.

8. DEVELOPERS' DEFAULT. In the event of any default hereunder by the Developer, Gunnison County shall give notice to the Developer specifying the nature of such default, which notice shall be given by certified mail with return receipt requested addressed to the Developer at: 3440 Admire Road, Dover, PA 17315.
