Re: Historical Preservation Commission Vacancy

Dear Members of the Board of County Commissioners,

I am writing to express my interest in serving on the Historical Preservation Commission. I have a strong interest in local history, and commitment to historical preservation in Gunnison County. In addition, my schedule is currently flexible and I have the time to devote to serving on the Commission.

My background in history is primarily that of an interested layperson – I have taken Dr. Vandenbusche's course in Colorado history, owned an antique store for a number of years, am an avid reader and researcher of local history, and have volunteered at the local Pioneer Museum. I would very much like to offer my time as a volunteer to assist in efforts to preserve local history and I hope you will consider my application for the open position.

My contact information is provided below,

Sincerely,

Kathleen Curry
