Why would you like to serve on this Board or Commission?	Need someone with strong enthusiasm for our community, a passion for making a positive impact, and strong understanding of both ends of the valley? I have been a valley resident for over a decade, with 8 years. My first job in the valley was working as marketing coordinator and webmaster for the Gunnison-Crested Butte Tourism Association. Other notable career highlights include being a member of and leading CBMR's marketing team, served as GM of Gunnison's Holiday Inn Express and am now the Director of Communications & Development for the Community Foundation of the Gunnison Valley. I currently serve on the Gunnison Country Chamber of Commerce Board and am on the Choice Pass Committee for Gunnison County Juvenile Services. My knowledge and skillset could serve TAPP very well as a strong representative for the south end of the valley since I live in rural Gunnison and work in Gunnison, but have excellent awareness, connections and experience surrounding the north end of the valley. I look forward to continuing the conversation and hopefully working with the TAPP Board!
