

**BOARD OF COUNTY COMMISSIONERS
OF GUNNISON COUNTY
RESOLUTION NO. 15-28**

**A RESOLUTION ESTABLISHING THE SCHEDULE OF FEES AND RATES FOR
SEWER SERVICE WITHIN THE TOMICHI DIVISION OF THE GUNNISON COUNTY
WATER AND SEWER DISTRICT**

THIS RESOLUTION SUPERSEDES RESOLUTION 14-43

WHEREAS, pursuant to Colorado Revised Statute 30-20-402(1)(f), the Board of County Commissioners of Gunnison County, Colorado may prescribe, revise and collect, in advance or otherwise, rates, fees, tolls and charges, including but not limited to availability fees, tap fees, and reasonable delinquency penalties for sewerage facilities; and

WHEREAS, there have been increased ongoing operation costs for the cooperative agreement between Gunnison County and the City of Gunnison concerning the operation of the sewage treatment plant providing service to the Tomichi Division; and

WHEREAS, Gunnison County must upgrade and maintain the connection lines within the Tomichi Division; and

WHEREAS, the Tomichi Division currently serves a single customer; and

WHEREAS, it is the desire of the Board of County Commissioners not to pay for such costs from the capital reserve;

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners that:

1. Schedule of Rates. The customer currently served by the Tomichi Division will pay actual costs of operation and maintenance of the Tomichi Division. Payments will be made on a reimbursement basis, billed by the end the month following each calendar quarter. Amounts due will be considered past due if unpaid by the end of the calendar quarter following the then current calendar quarter. Any past due account shall be subject to a penalty charge of 1% per month or portion thereof, and any past due amount may, at the option of the Gunnison County Finance Office, be certified for collection in the manner as though they were part of the taxes pursuant to Colorado Revised Statute 30-20-420.

2. Tap Connection Fee. There is a fee for sewer service tap connection within the Tomichi Division for each connection based on Appendix A attached hereto according to water supply size. Water supply size is either the meter size or line size from the well to the structure when no meter is present.

3. Excessive Connection Costs. Sewer service will be extended to the property line, unless cost of such extension of service exceeds two thousand five hundred dollars (\$2,500) or the product of the number of new users to be served by said sewer extension and two thousand five

hundred dollars (\$2,500). Costs exceeding two thousand five hundred for a single user or the product of the number of new users to be served by said sewer extension and two thousand five hundred dollars (\$2,500) will be the sole responsibility of the property owner(s) to be served. An estimate of the total costs will be provided to users in advance of work performed. Such work will be managed by Gunnison County staff.

4. Minimum Charges. The user connected to the system shall pay the actual costs four quarters per year whether or not the property is occupied or the sewer system is used.

5. Perpetual Lien. Until paid, all fees, rates, tolls, penalties, interests on delinquencies, and other costs shall constitute a perpetual lien on and against the property served, and any such lien may be collected in any manner legally permissible, including certification to the Gunnison County Treasurer as provided by law.

6. Fees May Be Amended. The fees hereby established may be amended from time to time by the Board of County Commissioners. It is the intention of the Board of County Commissioners that a review of the fees and rates be conducted each year, if such review is not conducted, the then current fees shall remain in full force and effect.

BE IT FURTHER RESOLVED THAT these fees shall remain in effect until changed by resolution by the Board of County Commissioners.

INTRODUCED by Commissioner Houck, seconded by
Commissioner Chamberland, and adopted this 22 day of December, 2015.
