Why would you like to serve on this Board or Commission?	I'm interested in helping builders and the County work through issues. I have a variety of experiences in the building industry. I have worked in construction for 25 years. Currently I am a general contractor and provide home energy assessments. I also serve on the City of Gunnison Planning and Zoning. I have been an active participant in both the County and City's building code adoption processes over the years. I believe I have knowledge and a desire to serve this Board well. Sincerely, Andy Tocke
