The Gold Basin Industrial Park Special Area (“Gold Basin Industrial Park”) is a discrete geographical area in which land development and land use is limited to specific commercial business and light industrial uses compatible with the Gunnison/Crested Butte Airport and its neighborhood. The general purpose of these *Regulations* is to create specialized land use regulations and design standards for light industrial and related business development on a Leasehold Area adjacent to the Gunnison/Crested Butte Regional Airport). These purposes serve as basic goals for these *Regulations* and the review of applications for Gold Basin Industrial Park Special Area Permits. When there is a conflict between a statement of purpose and an adopted standard in these *Regulations*, or when an adopted standard is more specific, the standard shall supersede these purposes. These *Regulations* shall be liberally construed to further the following purposes.

- B. TO AFFIRMATIVELY PROMOTE A COMPACT DEVELOPMENT PATTERN.** To affirmatively promote a compact development pattern that discourages sprawl, in which denser and more intense forms of development will occur contiguous to, or in close proximity to, existing population and development centers and public services, and in so doing, minimize the cost of providing governmental and other services.

PROTECT THE ENVIRONMENT; PUBLIC HEALTH, SAFETY AND WELFARE; PUBLIC SERVICES, FACILITIES AND PROPERTY.** To avoid or mitigate potential impacts caused by land development within the Gold Basin Industrial Park Special Area, to the environment, to public services and facilities, property and public safety, and land use within the Gold Basin Industrial Park Special Area and adjacent properties.

- F. TO PROVIDE OPPORTUNITY FOR NEW AND EXISTING BUSINESSES.** To provide the opportunity for existing businesses to grow and new businesses to locate in close proximity to existing utilities and transportation routes.
- G. TO ENCOURAGE ECONOMIC DIVERSITY.** To encourage, strengthen and promote greater economic diversity in the County; to broaden employment opportunities and reduce seasonal employment fluctuation in a manner that will not endanger or detract from the existing economy.
- H. TO WORK COOPERATIVELY WITH THE CITY OF GUNNISON.** To encourage business, light industrial and commercial operations to be constructed and maintained in a manner that is compatible with the land use regulations and design requirements of the City of Gunnison.

- B. STANDARDS ARE MINIMUM.** These improvements standards are intended to ensure a minimum level of performance. If an alternate design, process, or material can be shown to provide performance equal to or better than that established by these standards, or where it can be shown that strict compliance with these standards would cause unacceptable environmental impacts, or would result in adverse conditions on- or off-

site because of unusual topography, size or shape of the Leasehold Area, existing vegetation, or other exceptional situations or condition, then the Community Development Director shall have authority to accept the alternative.
