PURPOSE

This document outlines Gunnison County's policy related to official business travel. If a department has special circumstances not addressed in these policies, the elected official or department head should submit a request for consideration of unusual circumstances in writing to the County Manager for approval.

SCOPE

This policy applies to all Gunnison County employees.

DEFINITIONS

- IRS – Internal Revenue Service.
- M&IE – Meals and Incidental Expenses. As defined by the IRS, this refers to meals, tips and fees for food and luggage-handling services.

POLICY STATEMENTS

Gunnison County's policy is to utilize County-issued purchasing cards for meal, travel and lodging expenses incurred in the performance of official business. If a department has special circumstances not addressed in these policies, the elected official or department head should submit a request for consideration of unusual circumstances in writing to the County Manager for approval.

Meals

Within Colorado: Pursuant to IRS regulations, travel-related M&IE are allowable County expenses only when overnight travel is included. M&IE incurred during same-day travel, in-County meals at the beginning or end of travel, tips exceeding 20%, alcohol, and personal charges are not allowable County expenses. Receipts are required, and expenses will be allowed up to the IRS's standard daily M&IE allowance rate for Colorado, which is posted to the staff intranet and updated annually. The standard rate applies to all travel within Colorado.

Outside of Colorado: For out-of-state travel, refer to the current IRS per diem rate chart (posted to the staff intranet) to determine the maximum allowed for M&IE relative to the area of travel. If the travel location does not have a specific M&IE rate assigned, travelers should use the standard rate for the state.

Lodging

The actual cost of a hotel or motel room (single occupancy) will be allowed when incurred in the course of official County-related business travel. Employees should indicate lodging is tax exempt (in Colorado), when making reservations and use their purchasing card for payment of hotel rooms, which includes the tax exemption number, in order to avoid paying sales and/or lodging taxes whenever possible.

Transportation

County Fleet and Personal Vehicles

Employees are required to use fleet vehicles from the Public Works Department motor pool for work-related travel, whenever possible. See the Motor Pool Policy for more information.

Public Transportation

Reasonable commercial ground, air and rental transportation costs will be allowed for official

travel between airports, hotels, conferences or meeting places. Receipts must be provided.

Vehicle Rental

Rental car costs for County-related business will be allowed only when other options are not available to accommodate the purposes of the travel.

Airfare

The County will allow airfare costs (airfare and one checked bag) for County-related business. Employees making travel reservations should take care to seek the lowest possible fares by making advance reservations whenever possible. If the employee chooses to travel by car when the employee can fly for less (based on the rate available two weeks prior to the trip), only the lesser-cost figure will be allowed/reimbursed. Lodging and meal costs incurred during travel by car will not be reimbursed unless these costs, along with mileage, are less than airfare (if purchased two weeks prior) plus ground travel at the destination.

Out-of-State Travel Approval

The County Manager must approve all out-of-state travel prior to the traveler incurring any related expenses. The department head should submit into Laserfiche the purpose of the travel, location, total estimated cost, whether or not the costs are included in the department's budget, and the benefit to the County in the request. Elected officials and their staffs are exempted from this requirement as long as adequate travel funds are available as approved during the budget process and the out-of-state travel for staff is approved by the appropriate elected official.

COMPLIANCE

This policy shall be complied with in all respects. Revisions to this policy may occur and every attempt will be made to provide prior notice of any such change. However, when deemed necessary in order to fully protect the County's interests, the interest of the public, and to more fully protect the safety of the public, including employees governed by this policy, this policy may be changed without notice.

Failure to obtain any necessary approvals or inability to document expenditures by acceptable receipts may preclude reimbursement by the County.
