RESOLUTION NO. 2017- 17**

**A RESOLUTION TO ESTABLISH GUNNISON COUNTY POLICY FORMAT, REVIEW
TIMEFRAMES, AND ADOPTION/REVISION/RESCISSION PROCEDURES**

WHEREAS, Gunnison County wishes to establish a uniform policy format and an adoption and periodic review process to promote consistency and uniformity throughout the organization; and

WHEREAS, Gunnison County's current policy documents are in many forms and formats, including policies, resolutions, ordinances, policy statements, position/support statements, guidelines, and unformatted policies created via the adoption of meeting minutes; and

WHEREAS, Gunnison County currently lacks a unified, correct and complete policy document appropriate for staff and public reference; and

WHEREAS, the proposed policy template and policy-numbering system have been presented to and reviewed by the Board.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Gunnison County, Colorado that the following procedures will be applied to all Gunnison County policies:

1. APPLICABILITY

- a. A Gunnison County policy incorporates the written description of a direction set forth by the Board of County Commissioners (BOCC) to inform the public and guide actions taken by departments and offices in the County organization.
- b. Policies may be administrative or regulatory.
 - i. Administrative policies establish powers, responsibilities, and/or rules for County employees and appointed board members.
 - ii. Regulatory policies establish rules or orders having the force of law.
- c. A policy shall be established when:
 - i. Directed by the BOCC; or
 - ii. Required in accordance with state or federal law; or
 - iii. Requested by an elected official or department director, and approved by the BOCC.

2. STANDARDS

- a. All new policies shall be adopted by the BOCC during a regular/special meeting.
- b. All policies, excluding ordinances, may be revised administratively only for format modifications, corrections to reflect organizational changes,

or similar non-material changes without BOCC review and approval. All policy rescissions must be approved by the BOCC.

- c. All adopted policies shall be referenced in the electronic Gunnison County Policy Manual on the County's website.

3. FORMAT

- a. The format outlined in Exhibit A shall be used for all adopted Gunnison County policies. Should this format be changed at any time in the future, the County Manager's office will communicate the changes and the new format to each department.
- b. The County Manager must approve any exceptions to the format outlined in Exhibit A. However, any policies kept under separate cover in a format that deviates from that outlined in Exhibit A, such as the Gunnison County Employee Policies and the Gunnison County Land Use Resolution, shall still be referenced in the online Gunnison County Policy Manual.
- c. After adoption of a policy, the County Manager's office will assign the appropriate policy number following the numbering format outlined in Exhibit B. Should this format be changed at any time in the future to allow the addition/deletion of categories/policies, the County Manager's office will update Exhibit B and the appropriate section of the County's website.

4. PROCESS AND REPOSITORY

- a. Adoption:

Prior to adoption by the BOCC, the policy custodian will prepare the adoption request memo, work with the County Attorney's Office to create the applicable adoption resolution, and work with the County Manager's Office to create the formatted copy of the proposed policy.

- b. Revisions/Rescissions:

In the event that any established policy requires revision/rescission, the policy custodian shall contact the County Manager's office prior to drafting any modifications and/or reinitiating the above adoption process. If revisions/rescissions are warranted, the County Manager will decide whether or not the policy revisions/rescissions should be scheduled for approval/ratification by the BOCC in accordance with Section 2b above.

- c. Repository:

The County Manager's office shall serve as the repository for all adopted Gunnison County policies. The County Manager's office will also ensure that all adopted Gunnison County policies are accessible to staff and the public on the County's website.
