XI. Complaint and Investigation Process

1. Origination of Complaints: Alleged violation of this Policy by a licensed secure transportation service or of a secure transportation service operating in the County without a license, may be made in writing by any party and addressed to the Licensing Coordinator at SMorrill@gunnisoncounty.org, or by the Licensing Coordinator on its own initiative. Any individual bringing a matter of medical competency to the Licensing Coordinator shall waive the right of patient confidentiality as a condition of complaint submission and subsequent investigation. If any legal action is filed against a licensed secure

transportation service in a court of the United States, the State of Colorado or any of its political subdivisions, the licensee shall notify the Licensing Coordinator within ten (10) business days. A violation of this Policy shall not be presumed based on the allegation. In the event that a judgment is entered against the licensee, the licensee shall file a copy of the findings of fact, conclusions of law, judgments and order of the court with the Licensing Coordinator within ten (10) business days. If an action against a secure transportation service license is undertaken by another jurisdiction, the licensee shall notify the Licensing Coordinator within ten (10) business days. A violation of these rules shall not be presumed based on the action. If the action results in a suspension or revocation of the secure transportation service license by another jurisdiction, the licensee shall file a copy of the record of the adverse action with the Licensing Coordinator within ten (10) business days.

2. Validation of Complaints: The Licensing Coordinator, or its designee, shall complete an initial review of the complaint, judgment or adverse action within five (5) business days to determine if it constitutes a violation of this Policy and has sufficient foundation to warrant a complete investigation. Any apparent violation of this Policy having sufficient factual basis shall be fully investigated by the Licensing Coordinator. Allegations of violations outside the purview of the Licensing Coordinator shall be returned to the complainant for referral to the appropriate authority or jurisdiction. The Licensing Coordinator shall notify the complainant in writing if the allegation lacks sufficient basis to warrant investigation. The Licensing Coordinator shall notify the licensee in writing if a judgment or adverse action filed with the Licensing Coordinator does not constitute a violation of this Policy.
3. Investigation of Complaints: The Licensing Coordinator shall notify the complainant in writing that the allegation is sufficient to warrant a full investigation. Upon initiation of a full investigation, the Licensing Coordinator shall notify the secure transportation service of the alleged violation in writing. The Licensing Coordinator shall commence action against the secure transportation service or unlicensed secure transportation service if the allegation is determined to be a violation of this Policy or, at its discretion, may provide a reasonable period for the licensee to cure any violation or to implement corrective measures to bring the licensee's business activities into conformance with this Policy before commencing action to suspend or revoke a license or permit. The Licensing Coordinator may forego further hearing or action against the license or permit upon confirmation that the licensee has cured the violation and satisfied any conditions reasonably imposed by the Licensing Coordinator. The Licensing Coordinator shall notify the complainant in writing if an investigation determines that the allegation fails to constitute a violation of this Policy or that the licensee has cured the violation.

XII. Procedures for Revocation or Suspension

1. The Licensing Coordinator may, on its own initiative or upon written complaint made by any party, temporarily suspend, suspend for a definite period, or revoke any license or permit issued pursuant to this Policy upon a determination that a violation of this Policy by a licensed secure transportation service has occurred.
2. Temporary Suspension: Without prior notice to the licensee and upon determination that a violation that poses immediate threat to the public health, safety and welfare has

occurred, the Licensing Coordinator may temporarily suspend any license or vehicle permit. Such temporary suspension shall be effective upon delivery of written notice to the licensed secure transportation service by the Licensing Coordinator. No temporary suspension shall be valid for more than thirty (30) days or until a final decision by the Board concerning suspension or revocation, whichever period is longer. Any written notice of temporary suspension shall also provide notice of the time, date and place of a hearing before the Board to consider the suspension or revocation of the license. Except upon written consent of the licensee, the hearing shall be held not more than ten (10) business days following the effective date of the temporary suspension.

3. Suspension for Definite Period or Revocation of License: Following notice to the licensee and a public hearing at which the licensee shall be afforded an opportunity to be heard, the Board may suspend or revoke any license or vehicle permit. Any suspension or revocation shall require a finding by the Board of a violation of this Policy based upon the evidence presented at the hearing. Suspension shall be for a specific and definite period of time not to exceed any remaining current license period. The County shall bear the burden of proof of a violation justifying any suspension or revocation of a license or permit. Issuance of a temporary suspension shall not be a prerequisite to the conduct of a hearing to consider the suspension or revocation of a license or permit. The Board shall revoke such a license or vehicle permit upon the licensee receiving a second violation.
4. Hearings: All suspension or revocation hearings shall be open to the public and shall be conducted in accordance with the Colorado Open Meetings Act. The Board shall be authorized to administer oaths and issue subpoenas to require the attendance of witnesses and the production of papers, books, and records necessary to the determination of any issue at any hearing.
5. Surrender of License or Permit: Following receipt of a written notice of suspension or revocation, the licensee shall surrender and deliver its license and/or its secure transportation vehicle permit to the Licensing Coordinator within forty-eight (48) hours.
6. Notices: Any notice issued pursuant to this Policy shall be made in writing and provided to the licensee at the address listed in the application for license. The Licensing Coordinator shall use its best efforts to immediately notify in writing any communications center and notify within three (3) business days any first response agencies, local law enforcement agencies and medical facilities of any suspension or revocation. The Licensing Coordinator may send notice to other counties, the Colorado Department of Public Health and Environment, Colorado Department of Regulatory Agencies, Colorado Department of Health Care Policy and Financing or other interested parties; provided, however, that such notice shall not entitle these parties to a right to participate in any hearing concerning suspension or revocation of a license.
