Members Present: Jody Reeser, Lyda Hardy, Paul Gery, Patti Bippus

The meeting was opened by Jody Reeser. Debbie has had an emergency and will not be at the meeting. The minutes will be reviewed at the next meeting.

The first item on the agenda was next year's budget. Debbie asked that if there were any special request from the board that needed to be put on the budget to please let her know. Otherwise the budget would be turned in by Sept. 1. The board would like an external hard drive to put the movies on as the zip drives aren't big enough for those files. Paul wanted to be sure there was money in the budget to buy copies of the movies, 11 films at \$20.00 each. Patti had some interest in some books. Lyda wants to be sure there is money in the budget to continue the work on the oral interviews. Patti thought WSC could put interviews into movies.

The next item on the agenda was the movie project. Paul is filling in the spreadsheet on the films and then Lyda will type it. There are 3 categories that are not going to be shown: 1. IGI – insufficient general interview, 2. Privacy issues, 3. not suitable-obscenity. Paul & Lyda talked about showing several skiing movies highlighting several skiers from Crested Butte. The following names were mentioned on making movies on skiing; Cory Tibles, Russ Lallier and others. Patti will check with them. Bruce Bartleson will sit down and identify where Gunnison time is in some of the movies.

Jody talked to Henry Woods and he will help with the window workshop. Jody reminded everyone that the Dredge Boat tour was Friday at 9 a.m..

Patti is working on the write up for the paper. She is having trouble getting the paper to print the sources. Lyda suggested maybe putting the sources in the text. The board is wondering about putting it on the website. Patti will call Nick about next month's article. Maybe do follow up on prostitutes and bad guys for the following month. Paul inquired about always doing extra articles for website.

Jody summarized her visit to RMBL and possible designation.

There was no further business to come before the board so the meeting was adjourned.
