

Gunnison County Historic Preservation Commission  
January 18, 2012

Members Present: Jody Reeser, Lyda Hardy, Lynn Card, Patti Bippus, Paul Gery, Lee Ann Mick

The meeting was opened by Jody. The minutes were read and approved as corrected.

Patti let us know that the next article that would be in the paper would be on justice. The picture is on a legal lynching in 1880. The paper has it and they told Patti they would get in the next edition.

The next item on the agenda was the board appointments. Debbie was contacted by Hap Channel in regards to the openings that we will have. Lyda and LeeAnn have applied again and that will leave us with 2 openings. They won't start advertising until around Feb 13<sup>th</sup>. We need to come up with some ideas of people that would be interested and get them to send in letters. The names that were mentioned were Wilma Youman, Russ Lallier, Justin Lawrence and Ruth Dolezal. Each member took someone off the list they were comfortable talking to about being on the board.

Jane Chaney at the Gunnison/CB tourism association is interested in what we are doing for preservation month. Debbie emailed her back and told her we would let her know as soon as we know. Jody thought that a tour of historical buildings would be good. We could have it on 1 or 2 Saturdays during the month of May. Maybe one here and one in CB. Everybody is going to think about and come back with ideas. Patti will talk to Glo and to Molly in CB about it.

The State conference is the first week in Feb. We don't have the extra money in the budget to pay for the whole conference this year. Jody said she would be interested in going if we could help pay the registration she would pay the rest since she gets continuing education credits for some of the workshops. She and Debbie will get together and get her registered.

Debbie let everyone that County wide this year there were only 2 enhancements approved. None of our enhancements were approved so we will have to work within our regular budget.

Paul is going to do a wrap up article on the films to put in the paper. Otherwise we are finished with this project. Everyone on the board told Paul thanks for all his hard work.

Jody told us that Rich has taken off the upper level of the barn at the Clark Ranch. Hopefully Butch will put the roof back on. The paperwork to get this property on the register is still sitting on the attorney's desk.

Mike Morris called Jody to help fill out the packet on the "Little Grey Ranch", so it can be put on the register and then they can apply for State money to help restore a couple of the

buildings. The board talked about the fact that maybe it could be listed as a district. We will have to look into that when we get the packet.

There was no further business so Jody adjourned the meeting.

The next meeting will be Feb 15, 2012
