

Gunnison County Historic Preservation Commission

Blackstock Government Center – August 21, 2019

Members Present: David Primus, Justin Lawrence , Larry McDonald, Jordan Selk-Johnson, Elinda Card

Others Present:, Jim Barry

Justin opened the meeting. July minutes were not approved because we did not have a quorum.

Jim Barry gave background on Aberdeen and the need to make better access with two bridges and also the need for a beaver deceiver device to control the size of beaver ponds in the area. 3. Aberdeen funding request was approved at \$500.00 with a potential \$250 later for installation. Jim Barry attended and presented

Dave Primus spoke about the digitizing the Gunnison County papers. Cost would be \$21k to digitize up to 1923. The commission considers requesting some funds from the county in the next budget cycle. Dave was going to make plans to meet with the commissioners. SHF grant would be due by December. The Colorado Historic Newspaper also has a \$3k grant available.

Larry spoke about the National Archives having many resources that he has not been able to locate locally or from other sources. WorldCat included.
