

Gunnison County Historic Preservation Commission

Blackstock Government Center – October 16, 2019

Members Present: Lee Ann Mick, Larry McDonald, Jody Reeser, Justin Lawrence, Jordan Selk-Johnson

Others Present: Mike Pelletier (staff)

Justin opened the meeting. Justin made a motion (2nd Jody) to approve minutes from the September meeting. It was approved unanimously.

Jody said that the Metcalf archaeological consultants have completed their field work for surveying the Crystal townsite. They will be working on the writeup in the coming months.

Jordan said she has been talking with an intern about assisting with the social media project for the Historic Preservation Commission. Nothing has been finalized yet.

Mike showed his work on modifying the downtown sign layout and for the logo. The group gave several suggestions and asked him to send out revised versions to the group by email for review.

Justin described some challenges he has been experiencing regarding private parties putting an American flag on the Fairview lookout.

Larry said the museum is closed for the season and that attendance is down from a high of about 6500 people from a few years ago to 5000 this year. They purchased a new tractor for maintenance this year and are brainstorming other funding opportunities, including more tours.
